INTERIOR DESIGN

EXPERIENCE

KALOS ELEMENTS | *Miami, FL* | *Interior Designer (December 2022 – Present)*

Website: www.kaloselements.com

- Engage with customers visiting the showroom, understand their design preferences, requirements, and budgets. Conduct thorough assessments of their spaces to identify design opportunities
- Develop a deep understanding of product offerings in order to make informed design recommendations and achieve company goals
- Assist clients in sourcing appropriate materials, finishes, furniture, fixtures, and accessories that align with the design concept and budget. Coordinate with suppliers and vendors as necessary
- Generate design presentations, mood boards, and renderings for clientele
- Create content for the company's social media platforms and ensuring knowledge of current interior design trends
- Collaborate on showroom organization strategies to drive sales growth
- Project management which includes coordinating and overseeing the entire design process from conceptualization to execution while ensuring seamless collaboration between designers and contractors.

CAPLOW MANZANO | *Miami, FL* | *Design Associate (February 2022 – October 2022)*

Website: www.caplowmanzano.com

- Design interiors that reflect the mission statement of the company while being uniquely innovative and analytical toward design solutions
- Create mood and materiality boards to reflect design inspiration and help with project visualization
- Produce 3-Dimensional models to help visualize design intention
- Formulate detailed design presentations for multiple projects to communicate design intention
- Collaborate with engineers and project managers to ensure proper execution of design intent
- Select FF&E to reflect design concept and aesthetic
- Work directly with vendors and establishing relationships within the industry
- Organize and maintaining budgets, quote comparisons, and FF&E selections for multiple projects using appropriate software

TAMARA FELDMAN DESIGNS | *Aventura, FL* | *Junior Designer to Architect and Principal (April 2018 – March 2020)*

Website: www.tamarafeldman.com

- Assist in designing high-end residential and commercial interiors
- Drafting all levels of construction documents and specification drawings for new and existing projects
- Creating mood and materiality boards to reflect design inspiration
- Visiting sites to ensure accuracy, progress, and completion of projects
- Coordinate and establish relationships with representatives and suppliers to acquire product samples and remain on schedule
- Working directly with clients to ensure satisfaction during design process
- Assist in material, fixture, and furniture selection
